  7. Click “Submit Decision.”

- If you accepted a loan, complete loan requirements.
  If you accepted a Direct subsidized/unsubsidized loan, and you are a first-time borrower at DU, sign into [https://StudentLoans.gov](https://StudentLoans.gov) using your FSA ID. Then:
  1. Complete entrance counseling and
  2. Complete a Master Promissory Note, or MPN.
     (Links to both of these items are on the homepage after you log in.)

- Estimate your bill.
  Utilize the Estimated Billing Worksheet to help you determine your University bill each quarter. Once you have an idea of how much you will owe DU after all of your financial aid has disbursed to your student account, you can determine how much you need to borrow in additional loan funding (if any).

DU offers a no-interest payment plan that may help you cover a portion of your bill. Utilizing this plan will reduce the amount you may need to borrow in loan funding. Learn more at www.du.edu/bursar/payments/payment-plans.

3. Click on Direct Deposit Info in the “My Statement / Payment” box.
